

Creating QuickMarks Sets in Turnitin

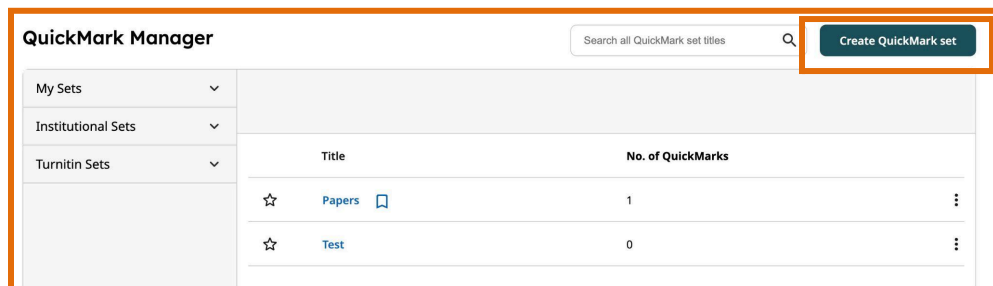

Turnitin allows instructors to create custom QuickMark sets for reusable feedback.

QuickMarks Sets & Rubrics

1. Creating QuickMark Sets
 - a. QuickMark sets allow you to group reusable comments by assignment type, course, or grading focus (e.g., Research Writing, Grammar, APA).
2. To create a new QuickMark Set:
 - a. Open a student submission
 - b. In the **Feedback** sidebar, select **QuickMarks**
 - c. Select the **gear icon**

- d. Select **“Create QuickMarks Set”**

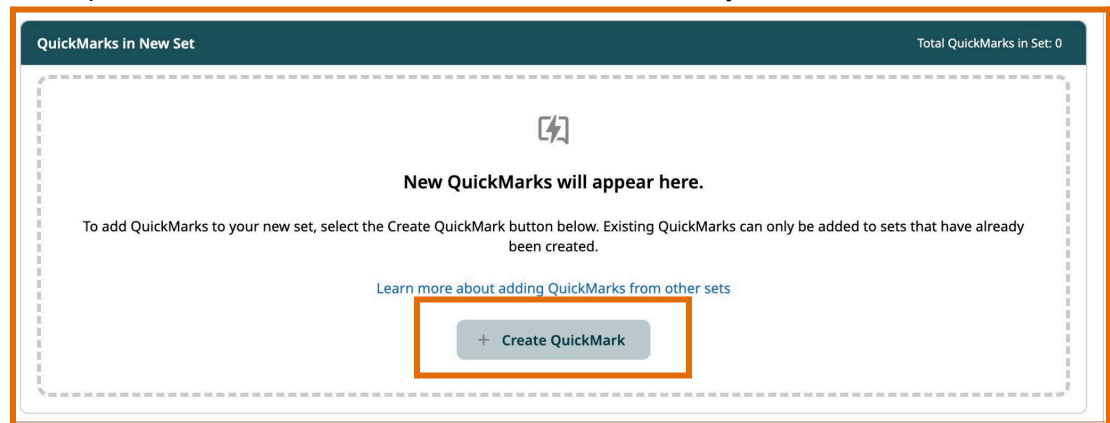

- e. Select **Create New QuickMarks** and set a title

QuickMarks Sets

- f. Then, press **Create** in the middle of the box and create your QuickMarks

- g. Once you've added content, press **Create** in the bottom right corner of the pop-up box to save it as a QuickMark. You can now use this feedback in future assignments.

Note:

Our institution uses **Turnitin Feedback Studio only**. We do **not** have access to Turnitin Originality Check.
