How to Clear the Cache using Safari

1. Click on “Safari” (it’s on the top left corner of your browser window)
2. Select the “Preferences...” link
3. A small window will open. Click on the “Advanced” tab
4. At the bottom of the “Advanced” tab menu select “Show Develop menu in menu bar”
5. Return to the Safari menu bar and click the “Develop” option
6. Select the “Empty Caches” link
